Paws for Granville – Shopping for a Cause Vendor Event Sponsorship Info

My name is Angela Gooch and I am one of the founding members of The Humane Society of Granville County (HSGC), an organization that has served Granville County for over 30 years. This year, we will be hosting our annual Paws for Granville fundraiser event with Granville County Animal Control on September 30th at the Granville County Expo Center. This is a vendor event that will raise dollars that are vital for spaying, neutering and much-needed medical care for the animals of Granville County. We are also having a pet food drive to help supplement our monthly Pet Food Pantry. This is the 4th year we have hosted the event but this is the first time the event will be held at the Expo Center in Oxford.

We think this would be a great opportunity for you to promote your business. This event is great advertisement and an excellent forum for you to reach the masses. Given that well over 50% of Americans are pet owners, your partnership with us will be meaningful to many of your clients, clients that will appreciate your commitment to a cause that is near and dear to many. With your help, we can do a better job as a community.

We want to sincerely thank you for considering being a sponsor to help make this year’s event possible. Our hope is that you will find great satisfaction knowing your contribution will change the life of homeless animals in our community. With your sponsorship, we would be able to care for many more animals that have been abandoned. HSGC is a 501(c)3 charity and your sponsorship may be tax deductible.
