

Help bring Paws for Granville Event to life in 2023!

Did you know that in 2021; 2,187 dogs and cats were taken in by our county shelter? This is an unsustainable, crowded, and unhealthy situation for the animals, and the number of animals surrendered each year keeps growing. The Humane Society of Granville County (HSGC) along with the Granville County Animal Shelter (GCAS) work together to play a vital role to mitigate pet overpopulation and abandonment in our county. We approach the needs of each animal on a case-by-case basis, and work directly with pet owners to overcome challenges that may otherwise lead them to surrender their pets. This includes spaying and neutering so that we can reduce the number of unwanted animals that come to the shelter each year. These are animals that otherwise would have been on the street, killed by cars or predators.

My name is Angela Gooch and I am one of the founding members of HSGC, an organization that has served Granville County for over 30 years. This year, we will be hosting our annual Paws for Granville fundraiser event with GCAS on April 1, 2023 at The Barn at Vino. Paws for Granville is a dinner and auction that will raise dollars that are vital for spaying, neutering and much-needed medical care for the animals of Granville County. This is the 4th year we have hosted the event, and last year we raised \$9,112. We need your help this year to reach our fundraising goal of \$15,000.

We invite you to help us sustain and improve this necessary work and achieve our important community vision through your support. Please know this event would not be possible without the support of local businesses such as yours. Your willingness to provide monetary donations as well as valuable products and services for auction is vital to supporting our mission. Given that well over 50% of Americans are pet owners, your partnership with us will be meaningful to many of your clients, clients that will appreciate your commitment to a cause that is near and dear to many. With your help, we can do a better job as a community.

We want to sincerely thank you for considering a donation as it would help make this year's event possible. Our hope is that you will find great satisfaction knowing your contribution will change the life of homeless animals in our community. With your donation, we would be able to care for many more animals that have been abandoned. HSGC is a 501(c)3 charity and donations are tax deductible.
